O R D E R:-

Government have reviewed the complex problem of high prevalence of chronic kidney disease in Uddanam area and it is decided to find out the etiology of the disease for which a project for screening and early evolution of kidney diseases is proposed.

2. To study the problem of high burden of Chronic Kidney Disease in Uddanam area of Srikakulam District, an expert committee was constituted to undergo the details of the population afflicted with chronic kidney disease of unknown origin(CKDu), to estimate prevalence of the disease, to suggest various interventional measures to contain and control the problem and also evolve research straregies to find out the causes resulting in chronic kidney disease (CKDu), specifically in these areas of the district. Director General, ICMR & Secretary, Department of Health Research, Government of India constituted one more team to review the issue of Chronic Kidney Disease of unknown etiology (CKDu), in response to the directions received from Government of India. Both the teams have jointly visited Srikakulam.

3. As a preventive measure Government after careful examination hereby permit to establish a dedicated Kidney Disease Research Institute at Srikakulam in partnership and 50% financial support of ICMR with an expected amount of Rs.5 Crores per annum for three consecutive years.

4. It is approved to establish this Research Centre through the ICMR- GoAP Grand Challenge process. The ICMR- GoAP Grand Challenge Draft Application for CKDu(Chronic Kidney Disease of unknown origin) is appended to this order

5. The Director of Medical Education, A.P., Vijayawada shall take necessary action accordingly.

6. This order issued with the concurrence of Financial Department vide their Note # 13 of e-File dt:18.07.2017.
